DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR
THE GROVE AT MONTEBELLO

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR THE GROVE AT MONTEBELLO ("Declaration") is made by 1699 LAND COMPANY, LLC, a Georgia limited liability company ("Declarant") and consented to by the owners of property subjected to this Declaration.

PART ONE: INTRODUCTION TO THE COMMUNITY

Declarant intends to develop the real property described in Exhibit "A" as a community of age-restricted single family homes and related amenities. Declarant recognizes that one of the keys to a successful community is a mechanism for the long-term maintenance of the property intended for the common use of owners and the administration of covenants controlling maintenance, aesthetic appearance, and use of the property.

Article I Creation of the Community

By recording this Declaration in the Public Records of Forsyth County, Georgia, the Declarant intends to establish a general plan of development for, and to provide for the overall governance, administration, maintenance and preservation of, the community known as The Grove at Montebello (the "Community"). This Declaration sets forth various rights and duties which will be binding on and are intended to benefit each Unit and each present and future property owner in the Community. The provisions of this Declaration and the Master Declaration (as defined below) work together to establish a governance structure and a flexible system of standards and procedures for the development, expansion, administration, maintenance, and preservation of the Community.

Declarant has established The Grove at Montebello Community Association, Inc., a Georgia nonprofit corporation (the "Association"), to own and operate those areas of the Community which are intended for the common use and benefit of all owners, to maintain such Common Areas and certain other portions of the Community, and to administer and enforce the provisions of this Declaration and the other documents referenced in this Declaration. Each owner of property in the Community will be a member of the Association and, through such membership, will have the opportunity to participate in the governance and administration of the Community.

This document does not, and is not intended to, create a condominium under Georgia law.

Article II Concepts and Definitions

The terms used in this Declaration and the attached exhibits are intended to have their normal, commonly understood definitions, unless otherwise specified. In order to minimize repetition, avoid confusion, and explain key concepts, some terms are capitalized to indicate that they have special definitions. Whenever used in their capitalized form, the following terms shall have the specified meanings:

"Age-Qualified Occupant": Any individual who is 55 years of age or older and who occupies a Unit. The terms "occupy," "occupies," or "occupancy" shall mean staying overnight in a particular Unit for at least ninety (90) days in any consecutive twelve (12) month period.

"Architectural Guidelines": The guidelines, standards, and procedures adopted pursuant to Article IV which relate to construction, installation, placement, and modification of structures, improvements, landscaping, and other items on Units.

"Architectural Review Committee" or "ARC": The committee formed pursuant to the terms of Section 4.2 that shall have authority over review and action on applications for architectural approval after Declarant's right to do so has ceased.

"Area of Common Responsibility": Those areas within or abutting the Community that the Association is authorized or responsible for maintaining as a Common Expense, including:

- (a) the Common Area;
- (b) all landscaping, entry features, and signage within or adjacent to public rights-of-way, to the extent that such public rights-of-way run through or adjacent to the Community;
- (c) those portions of Units for which the Association has maintenance responsibility pursuant to Section 3.1; and
- (d) such other areas, if any, for which the Association is assigned or assumes responsibility pursuant to this Declaration, any Supplemental Declaration, or any agreement with the owner of the property.

"Articles of Incorporation" or "Articles": The Articles of Incorporation of The Grove at Montebello Community Association, Inc., as filed with the Secretary of State of the State of Georgia.

"Assessment": An amount of money which the Owner of a Unit is obligated to pay to the Association and which, until paid, constitutes a lien on the title to the Unit which may be foreclosed in the same manner as a Mortgage under Georgia law.

"Association": The Grove at Montebello Community Association, Inc., a Georgia nonprofit corporation, its successors or assigns.

"Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and serving the same role as the board of directors under Georgia corporate law.

"Builder": Any Person, including a bank or other financial institution, who purchases one or more Units for the purpose of constructing improvements for later sale to consumers, or who obtains one or more parcels of land within The Grove at Montebello for further subdivision, development, and/or resale in the ordinary course of its business.

"By-Laws": The By-Laws of The Grove at Montebello Community Association, Inc., attached as Exhibit "D," as they may be amended.

"Common Area": All real and personal property, including easements, which the Association owns, leases, or otherwise holds possessory or use rights in for the common use and enjoyment of the Owners, including any landscaping, walkways, parking areas, and other structures on and improvements to such real property.

"Common Expenses": The expenses which the Association incurs, or expects to incur, in exercising its authority and performing its responsibilities under the Governing Documents and Georgia law, and reasonable contributions to reserve funds, as the Board may find necessary and appropriate.

"Community" or "The Grove at Montebello": The real property described in Exhibit "A," along with such additional property as is submitted to the terms of this Declaration in accordance with Article XII.

"Community-Wide Standard": The standard of conduct, maintenance, and appearance generally prevailing throughout the Community, or the minimum standards which the Declarant, the Board, or the Architectural Review Committee may establish for the Community as set forth in the Restrictions and Rules, the Architectural Guidelines, or by resolution or example, whichever is a higher standard. Such standard may contain both objective and subjective elements.

"Declarant": 1699 Land Company, LLC, a Georgia limited liability company, or any successor, successor-in-title, or assign who takes title to any portion of the property in the Community for the purpose of development and/or resale and who is designated as the Declarant in a recorded instrument executed by the immediately preceding Declarant. There shall be only one Declarant at any time.

"Developer Control Period": The period of time during which the Declarant, by virtue of its Class "B" membership, is entitled to appoint a majority of the members of the Board of Directors pursuant to the By-Laws.

"General Assessment": Assessments to fund Common Expenses for the general benefit of all Units, as described in Section 8.2(a).

"Unit": A portion of the Community, whether improved or unimproved, which is depicted as a separately numbered parcel on the recorded subdivision plat of any portion of the Community, which may be independently owned and conveyed, and which is improved or intended to be improved with a single family residential dwelling. The term shall refer to the land, if any, which is part of the Unit as well as any improvements on the Unit. The term shall not include Common Areas or property dedicated to the public.

PART TWO: CREATION AND MAINTENANCE OF COMMUNITY STANDARDS

The standards for maintenance, architecture, use, and conduct within the Community are what distinguish The Grove at Montebello from other residential developments and make it a place that people want to call "home." These standards should be more than a long list of prohibitions. This Declaration establishes guidelines and procedures to establish and maintain community standards and to allow such standards to evolve as technology, public perception, and applicable law change.

Article III Maintenance and Repair of Units

3.1. Maintenance of Units.

Each Owner shall be responsible for maintenance, repair, and replacement of all portions of his or her Unit, and shall keep it in good order and repair, and in a neat, clean, and attractive condition consistent with the Community-Wide Standard; provided, however, that basic landscape maintenance (the provision of pine straw/mulch, mowing, and blowing of leaves) shall be provided by the Association as described below in Section 3.2. Owners shall not permit any structures, equipment, or other items on the exterior portions of a Unit to become rusty, dilapidated, or otherwise fall into disrepair.

In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and levy a Specific Assessment for all costs incurred by the Association against the Unit and the Owner.

The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

3.2. Association's Responsibility.

(a) The Association shall maintain and keep in good repair the Area of Common Responsibility, which shall include, but need not be limited to:

(i) the Common Area, open space, and all landscaping signage, lighting, irrigation systems and equipment, fences, walls, and other structures and improvements situated on the Common Area;

(ii) basic landscape maintenance (the provision of pine straw/mulch, mowing, and blowing of leaves) on Units, except that, to the extent that portions of Units are enclosed by a fence, the Association shall not have responsibility for the maintenance of such fence of the space it encloses;

(iii) landscaping and signage within public rights-of-way within the Community;

(iv) perimeter fencing installed by Declarant, if any;

(v) any ponds, streams, and/or wetlands located within the Community and all drainage systems, storm water retention or detention systems for the Community, including any retaining walls, bulkheads, or dams (earthen or otherwise);

(vi) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) There are hereby reserved to the Association easements over the Community as necessary to enable the Association to fulfill such responsibilities. The Association shall maintain the facilities and improvements within the Area of Common Responsibility in continuous operation; except for any periods necessary, as determined in the sole discretion of the Board, to perform required maintenance or repairs, unless Members representing 75% of the Class "A" votes in the Association and the Class "B" Member, if any, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means except with the prior written approval of the Declarant as long as the Declarant owns any property described in Exhibits "A" and "B" of this Declaration.

(c) Except as otherwise specifically provided herein, all costs associated with maintenance, repair, and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessments, without prejudice to the right of the Association to seek reimbursement from the owner(s) of or other Persons responsible for certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof.

3.3. Insurance on Units; Damage to Units.

(a) Required Coverage. Each Owner shall obtain and maintain in effect at all times: (i) property insurance for the full replacement cost, less a reasonable deductible, of all insurable improvements on his or her Unit; and (ii) insurance covering consequential damages to any other Unit or the Common Area due to occurrences originating within the Owner's Unit caused by the negligence of the Owner, the failure of the Owner to maintain the Unit, and any other casualty within such Owner's Unit which causes damage to the Units or the Common Area.

Within 10 days of any written request from the Board of Directors, each Owner shall file with the Association a certificate from the insurer evidencing the insurance coverage required hereunder and, if requested, a copy of the individual policy or policies covering his or her Unit. Such Owner shall promptly notify the Board in writing in the event such policy is canceled.

(b) Repair and Reconstruction. In the event of damage to or destruction of any structures or improvements on the Unit, the Owner shall proceed promptly to repair, reconstruct or replace the damaged structures or improvements in a manner consistent with their original condition or such other plans and specifications as are approved in accordance with Article IV. The Owner shall pay any costs which are not covered by insurance proceeds.

3.4. Standard of Performance.

Unless otherwise specifically provided herein or in other instruments creating and assigning such responsibility, responsibility for maintenance shall include responsibility for repair and replacement as necessary. All maintenance shall be performed in a manner consistent

with the Community-Wide Standard and all applicable covenants. The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

Article IV Architectural Standards

No person shall commence any activities within the scope of Section 4.1 ("Work") on any Unit unless and until the Owner of the Unit submits an application for approval of the proposed Work and such application is approved in writing by the Declarant or the Architectural Review Committee appointed pursuant to Section 4.2.

4.1. Applicability.

(a) No person other than the Declarant or the Association shall:

(i) construct, place, or install any structures or other improvements on a Unit or alter the exterior of any existing structures or improvements (except those devices specifically permitted without approval pursuant to the Architectural Guidelines or Exhibit "C");

(ii) plant, install, or remove any trees, shrubs, or other landscaping materials or make any encroachment onto the Common Area;

except in compliance with this Article and the Architectural Guidelines adopted pursuant to Section 4.3.

(b) This Article shall not apply to:

(i) improvements, renovations, or alterations within the interior of the Unit, provided they are not visible from outside of the structure and do not conflict with this Declaration or impair the structural integrity of any portion of the structure or adjacent Units;

(ii) repairs, maintenance, or rebuilding of existing structures in accordance with original plans and specifications;

(iii) the Declarant's activities; and

(iv) the Association's activities during the Developer Control Period.

4.2. Architectural Review.

So long as Declarant owns any property described in Exhibit "A" or "B" to this Declaration which is or may become a part of the Community, the Declarant shall have the exclusive authority to review and act upon all applications for approval and to exercise all authority of the "Reviewer" under this Article. Thereafter, such authority shall be exercised by the Architectural Review Committee comprised of three to five persons appointed by the Board, the members of which shall serve and may be removed and replaced in the Board's discretion. (For purposes of this Article, the "Reviewer" shall refer to the Declarant or the ARC, as appropriate under the circumstances).

Declarant may, from time to time, but shall not be obligated to, delegate all or a portion of its authority to the ARC. Any such delegation shall be in writing, specifying the scope of responsibilities delegated, and shall be subject to (i) the right of Declarant to revoke such delegation at any time and reassume jurisdiction over the matters previously delegated; and (ii) the right of Declarant to veto any decision which Declarant determines, in its sole discretion, to be inappropriate or inadvisable for any reason. So long as Declarant has any rights under this Article, the authority and jurisdiction of the ARC shall be limited to such matters as Declarant specifically delegates to the ARC.

Declarant or, upon passing of its authority to the ARC, the Board, may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Declarant or the ARC may retain architects, engineers, or other professionals to assist in reviewing any application and may charge the fees of any such professionals to the applicant.

4.3. Guidelines and Procedures.

(a) Architectural Guidelines. Declarant or the Board may prepare Architectural Guidelines for the Community to provide guidance in submitting applications and to establish minimum standards for certain types of modifications to Units. Copies of the Architectural Guidelines shall be made available to any Owner upon request. Any such Architectural Guidelines are intended to provide guidance regarding matters of particular concern in considering applications for architectural approval, but shall not be the exclusive basis for decisions of the Reviewer. Compliance with the Architectural Guidelines does not guarantee approval of any application.

All Work shall be conducted in strict compliance with any applicable Architectural Guidelines in effect at the time the application for such Work is approved, unless the Reviewer has granted a variance in writing pursuant to Section 4.5. So long as the Reviewer has acted in good faith, its findings and conclusions with respect to acceptability or appropriateness of proposed Work, and applicability of or compliance with the Architectural Guidelines and this Declaration, shall be final.

Declarant shall have sole and full authority to amend the Architectural Guidelines as long as it has jurisdiction over architectural matters pursuant to Section 4.2. Thereafter, the ARC shall have the authority to amend the Architectural Guidelines. Any amendments to the Architectural Guidelines shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Architectural Guidelines; amendments may eliminate requirements previously imposed or otherwise make the Architectural Guidelines more or less restrictive.

(b) Procedures. An application for approval of any proposed Work shall be in the form required by the Reviewer and shall include plans and specifications ("Plans") in such detail as the Reviewer reasonably deems appropriate to evaluate such matters as the location, size, materials, manner of construction or installation, and other features of the proposed Work which the Reviewer deems relevant. The Reviewer may require the submission of such additional information as it deems necessary to consider any application. The Reviewer may refuse to

consider any application if the Reviewer determines, in its reasonable discretion, that the Plans are not sufficiently legible, precise, or detailed or are otherwise insufficient in any respect.

In reviewing each submission, the Reviewer may consider (but shall not be limited to consideration of) quality of workmanship and design and compliance with the general intent of the Architectural Guidelines and the general scheme of development for the Community.

Decisions of the Reviewer may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are subjective and opinions may vary as to the desirability and/or attractiveness of particular improvements and as the Reviewer and members of the ARC change over time.

The Reviewer shall, within 30 days after receipt of each complete application or other required submission, advise the applicant, in writing at an address specified in the application, of (i) the approval of Plans, or (ii) the disapproval of such Plans, specifying the features of the Plans which are objectionable and suggestions, if any, for the curing of such objections. In the event the Reviewer fails to so advise the applicant by written notice within such 30-day period, the applicant may give the Reviewer written notice of such failure to respond. If the Reviewer has still not responded within 10 days after receipt of such notice, approval shall be deemed granted. However, no approval, whether expressly granted or deemed granted, shall be inconsistent with the Architectural Guidelines unless a variance has been granted in writing pursuant to Section 4.5.

Notice shall be deemed to have been given at the time the envelope containing such notice, property addressed, and postage prepaid, is deposited with the U. S. Postal Service, registered or certified mail, return receipt requested. Personal delivery of such written notice, shall, however, be sufficient and shall be deemed to have been given at the time of delivery.

All approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Unit, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, Declarant or the Association shall be authorized, after notice to the Owner of the Unit and an opportunity to be heard as provided for in the By-Laws, to enter upon the Unit and remove or complete any incomplete work and to assess all costs incurred against the Unit and the Owner thereof as a Specific Assessment.

All Work shall be completed within 120 days of commencement or such shorter period as the Reviewer may specify in the notice of approval, unless completion within such time is delayed due to causes beyond the reasonable control of the Owner, as determined in the sole discretion of the Reviewer.

4.4. No Waiver of Future Approvals.

Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

4.5. Variances.

The Reviewer may authorize variances from compliance with any of its guidelines and procedures when special circumstances require. However, the ARC may not authorize variances without the written consent of Declarant as long as Declarant has any authority over architectural matters. No variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) preclude the Reviewer from denying a variance in other circumstances. For purposes of this Section, the inability to obtain necessary governmental approvals or permits, or to satisfy the terms or conditions of any financing, shall not be considered a hardship warranting a variance.

4.6. Limitation of Liability.

The standards and procedures established pursuant to this Article are intended only to provide a mechanism for maintaining and enhancing the overall appearance and attractiveness of the Community, and shall not create any duty or responsibility to any Person to ensure the structural integrity or soundness of approved Work, the adequacy of soils or drainage, compliance with building codes and other governmental requirements, or any other matter. Neither Declarant, the Association, the Board, the ARC, nor any member of any of the foregoing shall be held liable for any injury, damages, or loss to any Person arising out of the approval or disapproval of any proposed Work. The Association shall defend the ARC and its members and reimburse them for any loss, damages, and expenses incurred in any action arising out of their service on the ARC, to the extent provided in the Articles of Incorporation.

Article V Use and Conduct

5.1. Framework for Regulation.

Initial Restrictions and Rules governing use, conduct, and activities within the Community are set forth on Exhibit "C." This Article establishes procedures for adopting additional rules which interpret, expand, modify, or repeal the initial Restrictions and Rules set forth on Exhibit "C" in order to respond to unforeseen circumstances and changes in conditions, needs, desires, trends, and technology which inevitably will affect the Community.

5.2. Rule Making Authority and Procedures.

(a) Authority.

(i) Subject to the terms of this Article and its duty to exercise business judgment and act reasonably, the Board may adopt rules applicable to the Common Area or Units. Except to the extent that the Governing Documents specifically assign authority to regulate a particular matter to the Board, any rulemaking action by the Board may be overturned by a majority vote of the Members pursuant to subsection (b) and the disapproval of the Class "B" Member, if any. The Board shall have no obligation to call for a vote of the membership except upon receipt of a petition of the members calling for a special meeting, as provided for in the By-Laws.

(ii) Subject to the terms of this Article, the Members may adopt rules applicable to the Common Area or Units upon the approval of a majority of the total Class "A" votes in the Association, with the consent of the Class "B" Member, if any.

(iii) Nothing in this Article shall authorize the Board or the Members to modify, repeal, or expand the Architectural Guidelines. In the event of any inconsistency between the Architectural Guidelines and the Restrictions and Rules, the Architectural Guidelines shall control.

(iv) The procedures required under this Section 5.2 shall not apply to the enactment and enforcement of administrative rules and regulations governing use of the Common Area unless the Board chooses in its discretion to submit to such procedures. Examples of such administrative rules and regulations shall include, but not be limited to, parking regulations and traffic controls.

(b) Notice to Owners. No rulemaking action shall be taken unless and until a meeting of the Board or the membership has been called to consider and discuss the proposed action. The notice of any meeting at which proposed rulemaking action is to be considered shall state that fact. Members shall have a reasonable opportunity to be heard at such meeting prior to any vote being taken on the proposed action. At least 10 days prior to the effective date of any rulemaking action approved under this Section, the Board shall send a notice to each Owner describing the action and its effective date.

5.3. Owners' Acknowledgment.

All Owners and occupants of Units are given notice that use of their Units and the Common Area is limited by the Restrictions and Rules as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into and recording a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Unit can be affected and that the Restrictions and Rules may change from time to time. All purchasers of Units are on notice that the Association may have adopted changes. Copies of the current Restrictions and Rules may be obtained from the Association.

5.4. Rights of Owners.

(a) The Association shall provide, without cost, a copy of the current Restrictions and Rules to any requesting Member or Mortgagee.

(b) Except as may be specifically set forth in this Declaration (either initially or by amendment) or in Exhibit "C," neither the Board nor the Members may adopt any rule in violation of the following provisions:

(i) Abridging Existing Rights. If any rule would otherwise require Owners or occupants of Units to dispose of personal property which they maintained in or on the Unit prior to the effective date of such rule, or to vacate a Unit in which they resided prior to the effective date of such rule, and such property was maintained or such occupancy was in compliance with this Declaration and all rules previously in force, such rule shall not apply to any such Owners without their written consent unless the rule was in effect at the time such Owners or occupants acquired their interest in the Unit.

(ii) Activities Within Dwellings. No rule shall interfere with the activities carried on inside of dwellings, except that the Association may prohibit activities not normally

associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Units, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, that create an unreasonable source of annoyance or nuisance to the neighborhood, or that create any noxious or offensive activity.

(iii) Alienation. No rule shall prohibit the sale of any Unit, or require the consent of the Association or Board prior to the sale of any Unit.

(iv) Allocation of Burdens and Benefits. No rule shall alter the allocation of financial burdens among the Units or discriminate among Owners with respect to their rights to use the Common Area over the objection of any Owner expressed in writing to the Association. Nothing in this provision shall prevent the Association from adopting generally applicable rules for use of Common Area, or from assigning use of parking space on an equal basis among all Units. This provision does not affect the right to increase the amount of Assessments as provided in Article VIII.

(v) Household Composition. No rule shall interfere with the freedom of occupants of Units to determine the composition of their households, except that the Association shall have the power, subject to applicable law, to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Unit on the basis of the size and facilities of the Unit and its fair use of the Common Area.

(vi) Signs and Displays. No sign of any kind shall be erected by an Owner or an occupant of the Community without the prior written consent of the ARC. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. "For Sale" signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Unit. No rule shall prohibit Owners or occupants from displaying religious and holiday signs, symbols, and decorations in windows or doors of their Units of the kinds normally displayed in residential neighborhoods; however, the Association may regulate the time, place, manner, and extent of such displays for the purpose of minimizing disturbance to other Owners and occupants. No rules shall regulate the content of political signs; however, rules may regulate the time, place, and manner of posting such signs and establish design criteria for such signs.

(vii) Similar Treatment. Similarly situated Owners shall be treated similarly.

(viii) Speech. No rule shall restrict the freedom of speech of Owners or occupants, except that the Association may adopt time, place, and manner restrictions for the purpose of minimizing disturbance to other Owners and occupants of Units.

(ix) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede Declarant's right to develop the Community.

The limitations in this Section 5.4 shall apply to the exercise of the rulemaking authority under this Article only; they shall not apply to amendments to this Declaration adopted in accordance with Section 19.2.

PART THREE: COMMUNITY GOVERNANCE AND ADMINISTRATION

The success of the community is dependent upon the support and participation of every owner in its governance and administration. The Declaration establishes The Grove at Montebello Community Association, Inc. as the mechanism by which each Owner is able to provide that support and participate in the Community. While many powers and responsibilities are vested in the Association's board of directors, some decisions are reserved for the Association's membership -- the Owners of homes in the community.

Article VI Association Membership and Voting Rights

6.1. Membership.

(a) Qualification. Every Owner shall be a Member of the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation. All co-Owners of a Unit shall be jointly obligated to perform the responsibilities of the Owner of the Unit, and any one co-Owner may be held fully responsible for all such obligations. The membership rights of an Owner which is a corporation, partnership, trust, or other entity may be exercised by any officer, director, partner, or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Association's Secretary.

(b) Classes. The Association initially shall have two classes of membership, Class "A" and Class "B," with such rights and privileges as are described in this Declaration and in the Association's Articles and By-Laws. Class "A" Members shall be all Owners except the Class "B" Member, if any. The sole Class "B" Member shall be the Declarant. The Class "B" membership shall terminate 30 days after the earlier of:

(i) the date upon which 75% of the Permitted Units have been improved with a dwelling approved for occupancy and have been conveyed to Class "A" Members other than Builders;

(ii) seven years after the date on which this Declaration was recorded in the Public Records; or

(iii) the date upon which the Declarant voluntarily terminates such membership by written notice recorded in the Public Records.

Upon termination of the Class "B" membership, the Declarant shall become a Class "A" Member entitled to Class "A" votes for each Unit which it owns.

6.2. Voting.

(a) Class "A". Class "A" Members shall have one equal vote for each Unit in which they hold the interest required for membership under Section 6.1; however, there shall be only one vote per Unit. In any situation where there is more than one Owner of a Unit, the vote for such Unit shall be exercised as the co-Owners determine among themselves and advise the Association's Secretary in writing prior to the vote being taken. Absent such advice, the Unit's vote shall be suspended if more than one Person seeks to exercise it.

(b) Class "B". The Class "B" Member shall not have any specific number of votes, rather, the consent or approval of the Class "B" Member is required for certain actions as specified in the relevant sections of the Governing Documents. The Class "B" Member is also entitled to appoint members of the Board of Directors during the Developer Control Period, as specified in Sections 3.3 and 3.5 of the By-Laws. Additional rights of the Class "B" Member are specified in the relevant sections of the Governing Documents.

(c) Manner of Voting. On any matter as to which the Governing Documents or Georgia law require a vote or approval of the membership, such vote or approval may be obtained by affirmative vote at a meeting or by written consent, or by any combination thereof, unless the Governing Documents or Georgia law expressly require that the vote on such matter be taken at a meeting of the membership.

Article VII Association Powers and Responsibilities

7.1. Function of the Association.

The Association has been established for the purpose of administering the Community in accordance with the Governing Documents. Its responsibilities include, but are not limited to:

(a) management, maintenance, operation, and control of the Area of Common Responsibility;

(b) enforcing the Governing Documents, including such reasonable rules regulating use, conduct, activities, and aesthetic matters within the Community as may be set forth in or adopted pursuant to this Declaration; and

(c) administering and enforcing the architectural standards set forth in Article IV and in the Architectural Guidelines, upon delegation or termination of the Declarant's authority under Article IV.

7.2. Implied Rights; Board Authority.

The Association shall have the powers and authority granted by, and shall perform its functions in accordance with, the Governing Documents and the laws of the State of Georgia. The Association shall also have any right, power, or privilege which may reasonably be implied from, or which is reasonably necessary to exercise, any right, power, or privilege expressly granted by the Governing Documents or by law. Except as the Governing Documents or Georgia

law may otherwise specifically provide, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

7.3. Area of Common Responsibility.

The Association shall operate the Common Areas and maintain the Area of Common Responsibility in good repair and in a neat, clean, and attractive condition consistent with the Community-Wide Standard. By way of example and not limitation, the Association's responsibility shall include:

(a) maintaining and operating the Common Area and the facilities, improvements, and landscaping thereon, including, without limitation, entry features, entry signage, any detention pond, and any street lights or other lighting located on Common Areas; and

(b) maintaining those portions of Units for which the Association is assigned or assumes responsibility pursuant to this Declaration.

The Association may maintain other property that it does not own, including, without limitation, storm drainage facilities and other property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Except as the Governing Documents may otherwise specifically provide, all costs associated with operation of Common Areas and maintenance, repair, or replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessment. The Board may, however, allocate the expense of any maintenance, repair, or replacement that benefits one or more, but less than all Units, as a Specific Assessment pursuant to Section 8.2(c), according to the benefit received by such Units, as the Board may reasonably determine.

The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property that it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

7.4. Association Insurance.

(a) Required Coverage. The Association shall obtain and maintain at all times as a Common Expense, the following insurance coverage, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) property insurance on the Common Areas insuring against all risks of direct physical loss commonly insured against. The total amount of such insurance, after application of any deductibles, shall not be less than 80% of the actual cash value of the insured property (exclusive of land, excavations, foundations, and other items normally excluded from "all risk" property insurance policies); however, the Board shall be authorized to obtain coverage for 100% of the replacement cost of such insurable improvements;

(ii) comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board in the exercise of its business judgment, but

with a combined single limit of not less than One Million Dollars (\$1,000,000.00), to the extent reasonably available, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Area of Common Responsibility;

(iii) officers' and directors' liability insurance in such amounts as the Board, in its business judgment, may determine necessary, but not less than One Million Dollars (\$1,000,000.00) per occurrence, (if reasonably available);

(iv) fidelity bonds covering officers, directors, employees, and other persons who handle or are responsible for handling Association funds, if reasonably available (the amount of such bonds shall be in an amount which, in the Board's business judgment, reflects the estimated maximum amount of funds, including reserve funds, in the custody of the Association at any time during the term of the bond);

(v) flood insurance, if the Board of Directors determines it necessary or advisable;

(vi) worker's compensation insurance, if and to the extent necessary to meet the requirements of law; and

(vii) such other insurance as the Board determines to be necessary or advisable.

The Board shall conduct an insurance review to determine the adequacy of insurance coverage at least once every two years. Each Owner shall have the right to obtain additional coverage at his or her own expense, for improvements made by such Owner. All policies may contain reasonable deductibles. Each Unit Owner shall notify the Board of any structural improvements made by the Owner to his or her Unit.

(b) Policy Requirements. All insurance coverage obtained by the Association shall be written in the name of the Association as trustee for the Owners and the Mortgagees of Units, as their interests may appear. Each Owner shall be an insured person under the liability insurance policy with respect to liability arising out of his or her membership in the Association. In addition, the policies providing the coverage required under clauses (i) and (ii) of subsection (a) above shall provide that the insurer waives its rights of subrogation against any Owner or members of an Owner's household; that any "other insurance" clause contained in the policy expressly excludes an Owner's policies from its operation; and that no act or omission by any Owner, unless acting within the scope of his or her authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

In addition to the above, the Board shall use reasonable efforts to secure policies providing:

(i) that the policy cannot be canceled, invalidated, or suspended on account of the conduct of any director, officer, or employee of the Association, or the managing agent, nor may the conduct of any of the above be made a condition to recovery under the policy;

(ii) that the policy may not be jeopardized, canceled, or substantially modified without at least 30 days' prior notice in writing to the Board, all Owners, and each Mortgagee to whom certificates of insurance have been issued; and

(iii) an agreed value endorsement and an inflation guard endorsement.

All policies of insurance shall be written with companies licensed to do business in the State of Georgia. Such companies shall issue certificates or memoranda of insurance to the Association, and, if requested in writing, to any Owner or Mortgagee so requesting.

(c) Insurance Deductibles. In the event of an insured loss giving rise to a claim under property insurance carried by the Association, the amount of the deductible shall be considered a maintenance expense to be paid by the Person or Persons (including the Association) who would otherwise be responsible for such repair in the absence of insurance, except that if the loss under a policy maintained by the Association affects more than one Unit or a Unit and the Common Area, the cost of the deductible shall be a Common Expense.

(d) Association's Insurance Coverage Primary. To the extent that the Association is required to maintain insurance under this Section 7.4, the Association's insurance shall be primary and shall not be brought into contribution with individual policies of insurance purchased by Owners or their Mortgagees.

(e) Limitations. Nothing in this Section 7.4 gives any Owner or other party a priority over any rights of first Mortgagees as to distribution of insurance proceeds.

(f) Reducing Risk and Insurance Costs.

(i) The Board of Directors shall have the authority to require all or any Owners to do any reasonable act or perform any reasonable work to their Units which will, in the Board's sole discretion, decrease the possibility of fire or other damage, reduce the insurance premium paid by the Association for any insurance coverage, or otherwise assist the Board in procuring or maintaining such insurance coverage; however, if the cost of providing such required work would exceed Three Hundred Dollars (\$300.00) per Unit in any fiscal year, then the required work shall be subject to approval at a duly called and constituted meeting of the Association by the affirmative vote, in person or by proxy, of Owners holding at least two-thirds (2/3) of the total Association vote. This authority shall include, but shall not be limited to, requiring Owners to install smoke detectors and such other measures as the Board may reasonably require.

(ii) In addition to, and not in limitation of, any other rights the Association may have, if any Owner does not comply with any reasonable requirement made by the Board pursuant to this paragraph, the Association, upon 15 days' written notice (during which period the Owner may perform the required act or work without further liability), may perform such required act or work at the Owner's sole cost and expense. Such cost shall be added to and become a part of the Assessment obligation of such Owner, shall become a lien against the Unit, and may be collected as provided in Article VIII hereof. The Association shall have all rights necessary to implement the requirements mandated by the Board pursuant to this paragraph, including, but not limited to, a right of entry as set forth in this Declaration.

(g) Repair and Reconstruction After Casualty Loss. In the event of damage to or destruction of all or part of the Community insured under policies maintained by the Association, as a result of fire or other casualty, unless (i) this Declaration is terminated, (ii) reconstruction or repair is prohibited by law or by local health or safety statute, or (iii) Owners holding at least 75% of the total Association vote, including the Owner(s) of the damaged Unit(s), if applicable, vote not to proceed with the reconstruction and repair of the structure, the Board or its duly authorized agent shall arrange for and supervise the prompt repair and restoration of the structure in accordance with the original plats of survey and floor plans. In the event of substantial damage or destruction, each Mortgagee shall be entitled to written notice of the damage, and nothing in the Governing Documents shall be construed to afford a priority to any Owner with respect to the distribution of proceeds to any such Unit.

The procedure for repair and reconstruction shall be:

(i) Immediately after a fire or other casualty causing damage to any portion of the Area of Common Responsibility, the Board shall obtain reliable and detailed estimates of the cost of repairing and restoring the structures to a condition as good as that which existed before such casualty. Such costs may also include professional fees and premiums for such bonds as the Board determines to be necessary.

(ii) If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair, as determined by the Board, or if at any time during the reconstruction and repair or upon completion of reconstruction and repair, the funds for the payment of the costs thereof are insufficient, Special Assessments shall be made against all of the Units without necessity of approval of the membership. If after repair and reconstruction is completed, there is a surplus of funds, such funds shall be common funds of the Association to be used as directed by the Board.

(iii) Any such reconstruction or repair shall be substantially in accordance with the plats of survey, floor plans, and specifications under which the damaged structures were originally constructed.

(iv) Encroachments upon or in favor of Units which may be created as a result of such reconstruction or repair shall not constitute a basis for any claim, proceeding, or action by the Owner upon whose property such encroachment exists, provided that such reconstruction was substantially in accordance with the plats of survey, floor plans, and specifications under which the improvements were originally constructed. Such encroachments shall be allowed to continue in existence for so long as the reconstructed building shall stand.

(v) The net proceeds of the insurance collected because of a casualty and the funds collected by the Association from Assessments against Owners because of such casualty shall constitute a construction fund which shall be disbursed in payment of the cost of reconstruction and repair in the manner set forth in this subparagraph.

(vi) The construction fund shall be paid by the Association in appropriate progress payments to such contractors, suppliers, and personnel performing the work or

supplying materials or services for the repair and reconstruction of the buildings as the Board may designate.

7.5. Safety and Security.

Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their personal property and Unit. The Association may, but shall not be obligated to, maintain or support certain activities within the Community designed to enhance the level of safety or security within the Community. However, neither the Association nor the Declarant shall in any way be considered insurers or guarantors of safety or security within the Community, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

Each Owner acknowledges, understands, and agrees to inform any and all tenants and occupants of its Unit that the Association, its Board of Directors and committees, Declarant, and any successor or assign of each are not insurers or guarantors of security or safety and that each Person within the Community assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties.

7.6. Provision of Services.

The Association may arrange for or provide services to the Owners and their Units and shall be authorized to enter into contracts or other agreements with third parties, including Declarant, to provide such services. By way of example, such services may include trash collection, lawn maintenance, pest control, cable television service, fire protection, security monitoring, and other similar services, although the Association shall have no obligation to provide any such services. The Board may modify or cancel any services provided to the Owners and their Units at any time in its discretion.

The cost of any such services provided to all Units pursuant to any bulk agreement with the Association shall be a Common Expense and/or the Association may charge use and consumption fees for selected services. No Owner shall be exempt from the obligation to pay for any such services undertaken as a Common Expense based upon non-use or any other reason.

7.7. Age Restriction Affecting Occupancy.

(a) Age Restriction. The Grove at Montebello is intended to provide housing primarily for Persons 55 years of age or older, subject to the rights reserved to Declarant in this Declaration. The Community shall be operated as an age restricted community in compliance with all applicable state and federal laws. No Person under 19 years of age shall stay overnight in any Lot for more than 90 days in any consecutive 12-month period. Subject to the rights of Declarant, each Unit, if occupied by at least one individual 55 years of age or older; provided, however, that once a Lot is occupied by an Age-Qualified Occupant, other Qualified Residents of that Unit may continue to occupy the Unit, regardless of the termination of the Age-Qualified Occupant's occupancy. Notwithstanding the above, at all times, at least 80% of the improved and occupied Units within the Community shall be occupied by at least one individual 55 years of age or older. The Board shall establish policies and procedures from time to time as necessary

to verify the names and ages of all occupants and Owners of the Units and to monitor and maintain its status as an age restricted community under state and federal law. The Association may levy monetary fines against the Owner and the Unit for each day the Owner fails to provide information requested by the Association and/or the Board. The Association shall provide, or contract for the provision of those facilities and services designed to meet the physical and social needs of older Persons as may be required under such laws. The provisions of this Section may be enforced by the Association administratively as provided in this Declaration and/or by an action in law or in equity, including, without limitation, an injunction requiring specific performance hereunder.

(b) Leasing/Sale of Unit. Nothing in this Section 7.7 shall restrict the ownership of or transfer of title to any Unit; provided no Owner under the age of 55 may occupy a Unit, except in compliance with this Section, not shall any Owner permit occupancy of a Unit in violation of this Section. No Owner shall enter into a Lease, an agreement to sell the Unit, or any other occupancy agreement where the Person occupying the Unit is under the age of 55, without the prior written approval of the Board. Any Owner who proposes to enter into a lease, an agreement to sell the Unit or other occupancy agreement relating to the Owner's Unit shall: (i) assure that any such agreement is in writing, (ii) include in such agreement a statement in conspicuous type that the Units within the Community are intended for residency by Persons 55 years of age or older, as set forth in this Section, (iii) clearly disclose the age-restricted purpose to any tenant, purchaser, or other potential occupant of the Unit, and (iv) provide that any violation of this Section by the tenant or purchaser under the agreement shall constitute a default of the agreement.

(c) Exceptions. Any Owner may request in writing that the Board make an exception to the requirements of the Section with respect to his or her Unit, based on a hardship that is substantiated by documentation supplied with the written request. The Board may, but shall not be obligated to, grant exceptions to this Section in its sole discretion, provided that all of the requirements of the state and federal laws under this the Community may be developed and operated as an age-restricted community are met in any event.

(d) Notification of Change in Occupancy. In the event of any change in occupancy of any Unit, as a result of a transfer of title, a lease or sublease, a birth or death, change in marital status, vacancy, or otherwise, the Owner of the Unit shall immediately notify the Board in writing and provide to the Board the names and ages of all current occupants of the Unit and such other information as the Board may reasonably require to verify the age of each occupant required to comply with the state and federal laws under which the Community may be developed and operated as an age-restricted community. In the event that an Owner fails to notify the Board and provide all required information within 10 days after a change in occupancy occurs, the Association may levy monetary fines against the Owner and the Unit for each day after the change in occupancy occurs until the Association received the required notice and information, regardless of whether the occupants continue to meet the requirements of this Section, in addition to all other remedies available to the Association under this Declaration and applicable law.

(e) Records. The Association shall be responsible for maintaining records to support and demonstrate compliance with the Fair Housing Act, as amended. The Board shall adopt policies, procedures, and rules to monitor and maintain compliance with this Section, including policies regarding visitors, updating of age records, the granting of exemptions to compliance,

and enforcement. The Association shall periodically distribute such policies, procedures, and rules to the Owners and make copies available to Owners, or tenants and mortgagees upon reasonable request.

(f) Enforcement. The Association, acting through the Board, may enforce this Section in any legal or equitable manner available, as the Board deems appropriate, including, without limitation, conducting a census of the occupants of Units, requiring that copies of birth certificates or other proof of age for one new Age-Qualified Occupant per Unit be provided to the Board on a periodic basis, and in the Board's sole discretion, taking action to evict the occupants of any Unit which does not comply with the requirements and restrictions of this Section. Association records regarding individual members shall be maintained on a confidential basis and shall not be disclosed except as legally required and then only to governing authorities having jurisdiction and seeking to enforce state and federal laws. Each Owner shall fully and truthfully respond to any request from the Association or Board for information regarding the occupancy of his or her Unit which, in the Board's judgment, is reasonably necessary to monitor compliance with this Section. **Each Owner hereby appoints the Association, which may act through the Board, as its attorney-in-fact for the purpose of taking legal or equitable action to dispossess, evict, or otherwise remove the occupants of his or her Unit as necessary to enforce compliance with this Section.**

(g) Compliance. Each Owner shall be responsible for ensuring compliance with the requirements and restrictions of this Section and the Association rules adopted hereunder, by itself and by its tenants and any other occupants of his or her Unit(s). **Each Owner, by acceptance of title to a Unit, agrees to indemnify, defend, and hold Declarant, any affiliate of Declarant, and the Association harmless from any and all claims losses, damages, and causes of action which may arise from failure of such Owner to uphold the obligation set forth in the foregoing sentence.** Such defense costs shall include, but not be limited to attorneys' fees and costs.

Article VIII Association Finances

8.1. Budgeting for Common Expenses.

At least 60 days before the beginning of each fiscal year, the Board shall prepare an operating budget reflecting the estimated Common Expenses which the Association expects to incur during the coming year. The budget shall separately list (i) those Common Expenses which benefit and are to be allocated among all Units, and (ii) those Common Expenses, if any, which benefit and are to be allocated among less than all Units.

The budget may include a contribution to one or more reserve funds, and shall include an annual contribution to a reserve fund for repair and replacement of any assets for which the Association is responsible which have an expected useful life of three years or more. The amount of such contribution shall be based upon the Board's reasonable estimate of the annual contribution needed over the remaining estimated useful life of each asset to provide sufficient funds for repair or replacement of such asset as required.

The Board shall send a copy of the budget to each Owner at least 45 days prior to the effective date of such budget. The budget shall automatically take effect on the date specified by the Board unless Members entitled to cast at least 75% of the total Class "A" votes in the

Association veto such budget at a meeting of the Members. The Board shall have no duty to call a meeting of the Members except upon receipt, within 10 days after the budget is sent to each Owner, of a petition signed by the Members as required for a special meeting pursuant to the By-Laws.

The Board may revise the budget from time to time during the fiscal year to reflect unanticipated expenses or changes in anticipated expenses, as the Board deems appropriate. The Board shall provide a copy of any revised budget to the Members and the Members shall have the right to veto any change from the budget previously in effect, in the same manner as described above.

If a budget is not adopted for any year, then until such time as a budget is adopted, the budget in effect for the immediately preceding year shall continue for the current year.

8.2. Funding Common Expenses.

The Association is authorized to levy three types of Assessments to cover the Common Expenses of the Association, as follows:

(a) General Assessments. Common Expenses as reflected in the annual operating budget which directly or indirectly benefit all of the Units shall be allocated equally among all of the Units which are subject to Assessment under Section 8.3 as a General Assessment. The Board shall determine the amount of the General Assessment for each fiscal year at the time the budget is prepared, subject to adjustment in the event that the budget is revised during the year. Notice of the amount of the General Assessment, as it may be adjusted, shall be sent to each Owner with a copy of the budget.

The General Assessment shall be an annual Assessment due and payable in advance on the first day of each fiscal year; however, the Board may permit any General Assessment to be paid in monthly, quarterly, or semi-annual installments, in its discretion.

(b) Special Assessments. Any Common Expenses of a non-routine nature, or which were not anticipated in the Association's annual operating budget, or which exceed budgeted amounts, may be assessed as a Special Assessment. Special Assessments shall be allocated equally among all Units subject to Assessment. Special Assessments shall be payable in such manner and at such times as the Board may determine, and may be payable in installments over a period of more than one year.

Notice of any Special Assessment shall be sent to each Owner at least 45 days prior to the due date of such Special Assessment (or the first installment thereof). Any Special Assessment may be vetoed by the Members in the same manner and by the same vote as the annual operating budget pursuant to Section 8.1.

(c) Specific Assessments. The Association may assess the following expenses as a Specific Assessment against a particular Unit or Units:

(i) those costs, including overhead and administrative costs, of providing benefits, items, or services to a Unit or the occupants thereof upon request of the Owner, which

Assessments may be made in advance of the provision of the requested benefit, item, or service as a deposit against costs to be incurred on behalf of the Owner; and

(ii) those costs incurred in bringing the Unit into compliance with the Governing Documents or as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, or guests (subject to the notice and hearing requirements set forth in Section 18.3).

8.3. Payment of Assessments.

(a) The obligation to pay Assessments for a Unit shall commence on the first day of the month following (i) conveyance of such Unit to a Person other than Declarant or a Builder; **and** (ii) the issuance of a certificate of occupancy for a residential building on such Unit; however, no Assessments shall be due prior to the month in which the Board first determines a budget and gives notice of the Assessment due pursuant to this Article. The first General Assessment levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time (i) and (ii) above are satisfied.

(b) Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of Assessments at closing of the transfer of title to a Unit and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, Assessments may be paid in two or more installments. Unless the Board otherwise provides, the General Assessment shall be due and payable in advance on the first day of each fiscal year. If any Assessment or other charges against a Unit become delinquent, the

Board may, upon at least 10 days' written notice, require any unpaid installments of all outstanding Assessments on such Unit to be paid in full immediately.

(c) Upon written request, the Association shall furnish to any Owner liable for any type of Assessment a certificate in writing signed by an Association officer setting forth whether such Assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

(d) Failure of the Board to fix Assessment amounts or rates or to deliver or mail an Assessment notice to each Owner shall not waive the Association's right to collect such Assessments retroactively or release any Owner from the obligation to pay any Assessment when levied. Each Owner shall continue to pay General Assessments on the same basis as during the last year for which an Assessment was levied, if any, until a new Assessment is levied, at which time the Association may retroactively assess any shortfalls.

8.4. Declarant's Option to Subsidize.

During the Developer Control Period, Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal year by payment of a subsidy. Declarant may, at Declarant's sole discretion, require Builders owning Units to contribute to such subsidy, in proportion to the number of Units owned by such Builder(s). Any such subsidy shall be disclosed as a line item in the income portion of the budget. The payment of such subsidy in any year shall under no circumstances obligate the Declarant to continue payment of such subsidy in future years, unless otherwise provided in a written agreement between the Association and the Declarant.

8.5. Personal Obligation and Lien for Assessments; Delinquencies.

(a) Personal Obligation. Except as otherwise provided in this Section, each Owner, by accepting a deed or entering into a recorded contract of sale for any Unit, agrees to pay the Assessments authorized in this Declaration. No Owner may exempt himself or herself from liability for Assessments by non-use of the Common Area, abandonment of his or her Unit, or any other means. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No reduction or abatement of Assessments or set-off shall be claimed or allowed for any alleged failure of the Association or the Board to take some action or perform some function required of it, or for inconvenience arising from the making of repairs or improvements, or otherwise as a result of any action or inaction by the Association.

All Assessments, together with:

(i) interest computed from the due date of each Assessment at a rate of 12% per annum (or the maximum rate permitted by Georgia law if less than 12% per annum);

(ii) late charges in the amount of \$10.00 or 10% of the amount due and owing, whichever is greater; and

(iii) costs of collection (including reasonable attorneys' fees, whether or not suit is filed);

shall be the personal obligation of the Person who is the Owner of the Unit at the time the Assessment is due. Upon a transfer of title to a Unit, the new Owner shall be jointly and severally liable with the former Owner for any Assessments and other charges due at the time of conveyance (*i.e.*, both are responsible and either may be required to pay the full amount due to the Association), unless the new Owner took title following foreclosure of a Mortgage which has priority over the Association's lien under subsection (b) below.

(b) Lien for Assessments. The Association shall have a lien against each Unit to secure payment of all delinquent Assessments, as well as interest, late charges (subject to the limitations of Georgia law), costs of collection (including attorneys' fees), and any other charges authorized in Section 8.5(a). Such lien shall be perpetual upon the recordation of this Declaration in the Public Records. Such lien shall be superior to all other liens, except (i) the liens of all taxes, bonds, Assessments, and other levies which by law would be superior; and (ii) the lien or charge of any first Mortgage recorded in the Public Records which was made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

The Association may bid for the Unit at the foreclosure sale and thereafter hold, lease, mortgage, and convey the Unit. While a Unit is owned by the Association following foreclosure: (i) no right to vote shall be exercised on its behalf; (ii) no Assessment shall be levied on it; and (iii) each other Unit shall be charged, in addition to its usual Assessment, its pro rata share of the Assessment that would have been charged such Unit had it not been acquired by the Association.

The Association may sue for unpaid Assessments and other charges authorized hereunder without foreclosing or waiving its lien.

The sale or transfer of any Unit shall not affect the Association's lien or relieve such Unit from the lien securing any subsequent Assessments. However, the sale or transfer of any Unit pursuant to the foreclosure of a first Mortgage shall extinguish the lien as to any installments of such Assessments due prior to the Mortgagee's foreclosure. Uncollected Assessments shall be deemed Common Expenses collectible from Owners of all Units subject to Assessment under Section 8.3, including such acquirer, its successors and assigns. The subsequent Owner of the foreclosed Unit who obtains title to a Unit pursuant to the foreclosure of a first Mortgage shall not be personally liable for Assessments due prior to such acquisition of title. Such unpaid Assessments shall be deemed to be Common Expenses which the Association may thereafter allocate among all Owners as part of the General Assessment under Section 8.2(a).

Each Owner, by accepting a deed to any Unit, consents to these procedures and authorizes the Board to undertake such measures for the general benefit of the Association.

8.6. Exempt Property.

The following property shall be exempt from payment of General Assessments and Special Assessments:

- (a) all Common Area; and
- (b) any property dedicated to and accepted by any governmental authority or public utility.

8.7. Foreclosure Administration Fee.

It is recognized that foreclosures of Mortgages create substantial administrative and other burdens on the Association. These additional burdens on the Association include, but are not limited to, having to monitor the status of Mortgages and legal periodicals to determine when foreclosures occur, searching the Public Records to determine the names of the purchasers at foreclosure sales, contacting the foreclosure purchasers/owners regarding foreclosure-purchaser responsibilities and assessment obligations and updating Association records multiple times to deal with just a single Unit. Pursuant to this Declaration, the Association is authorized to assess individual Owners certain fees and expenses occasioned by and benefitting just those Owners or those Owners' Units. In accordance with these provisions, and in addition to General Assessments, Special Assessments, and other charges provided for in this Declaration, except as otherwise specifically set forth in this Declaration provided below, any Person who acquires a Unit at a foreclosure sale of the Mortgage on such Unit, or by deed in lieu of a foreclosure, will be required to pay the Association a "**Foreclosure Administration Fee**" in the amount of the lesser of (i) \$250.00 or (ii) 1/6th of the amount of the General Assessment that is in effect at the time the foreclosure deed or deed in lieu of foreclosure is recorded in the Public Records. The Foreclosure Administration Fee shall constitute a Specific Assessment as described in this declaration.

8.7. Collection of Master Assessments.

The Association shall not be obligated to collect any assessments levied via the Master Declaration; rather any such assessments shall be assessed by the Master Association directly to and against each Unit hereunder, with each Unit constituting a "Lot" (as defined in the Master Declaration) for purposes of assessments under the Master Declaration. The Master Association may bring suit against any Owner to collect delinquent Master Declaration assessments, in addition to any rights or remedies it may have under the Master Declaration or at law and in equity. In addition, any such unpaid assessments, together with interest thereon, as provided in the Master Declaration, and the costs of collection, including, but not limited to, reasonable attorneys fees actually incurred, shall constitute a continuing charge and lien upon such Unit against which such assessments are made.

PART FOUR: COMMON AREA

One of the primary functions of the Association is to own, operate, and maintain those portions of the Community, called Common Areas, which are designed and intended for the common use and enjoyment of all residents and the common benefit of all Units.

Article IX Acceptance, Management, and Control of Common Area.

9.1. Control of Common Area.

The Association, acting through its Board, may acquire, hold, and dispose of real property (*i.e.*, land and improvements to the land and interests in land) and personal property (for example, furnishings, equipment, and other items which are not attached to land), subject to the limitations set forth in this Declaration. Any such property shall be Common Area during such period as it is held by the Association and shall cease to be Common Area upon transfer or conveyance of the Association's interest in the property. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for management, operation, and control of the Common Area.

9.2. Acceptance of Common Area Conveyed by Declarant.

The Declarant and its designees may convey to the Association real and personal property, including easements, leaseholds, and other interests in property. Such property shall be accepted by the Association "as is" and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association.

9.3. Reconveyance of Common Area to Declarant.

Upon request of the Declarant, the Association shall reconvey to the Declarant or a Builder any unimproved property or interests therein which the Declarant originally conveyed at no cost to the Association. The Declarant shall not be required to pay for such property, but shall pay the costs of preparing and recording the deed to cause such reconveyance.

Article X Rights to Use Common Area

10.1. Easement in Common Area.

Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, subject to:

(a) the Governing Documents, any other applicable covenants, and any other instrument affecting title to the property;

(b) any restrictions or limitations contained in any deed or other document conveying an interest in such property to the Association;

(c) the right of the Board and the membership to adopt, amend, and repeal rules regulating the use and enjoyment of the Common Area;

(d) the right of the Association, acting through the Board, to dedicate, transfer, or grant easements over all or any part of the Common Area, subject to such approval requirements as may be set forth elsewhere in this Declaration, except that any transfer or encumbrance of Common Area shall be subject to an easement over such Common Area for access to all Units served thereby; and

(e) the right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.

10.2. Assignment of Rights to Use Common Area.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, occupants of the Owner's Unit under any lease authorized pursuant to this Declaration, and guests, subject to reasonable regulation by the Board. The Owner of a Unit which is rented under a lease authorized pursuant to this Declaration shall be deemed to have assigned to the tenant all of such Owner's rights to use facilities on the Common Area for the term of the lease.

Article XI Changes in Common Area

11.1. Common Area to Remain Undivided.

Except as permitted in this Declaration, ownership of the Common Area shall remain undivided. No Person shall seek to have a court partition or divide the ownership interest of all or any portion of the Common Area unless the portion of the Common Area which is the subject of such action has been removed from the provisions of this Declaration or unless all Owners and Mortgagees have consented in writing. This Section shall not apply to any property which was formerly Common Area once the Association no longer holds any legal interest in such property. Moreover, this Section shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property which may or may not be subject to this Declaration.

11.2. Conveyance or Dedication of Common Area.

(a) The Association, acting through the Board without a vote of the membership, may grant licenses and leases of portions of the Common Area, and may grant easements over the Common Area for installation and maintenance of utilities or drainage facilities or for other purposes, to the extent not inconsistent with the intended use of the Common Area.

(b) Except as provided in Sections 9.3 and 11.2(a), the Association shall not mortgage or convey any real property comprising all or any portion of the Common Area without the approval of Owners representing at least 67% of the total Class "A" votes in the Association and the written consent of the Class "B" Member, if such exists.

(c) The Association may dedicate portions of the Common Area to Forsyth County, Georgia, or to any other local, state, or federal governmental or quasi-governmental entity, subject to such approval as may be required by Section 11.2(b).

11.3. Condemnation.

If any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members representing at least 67% of the total Class "A" votes in the Association and of Declarant, as long as Declarant owns any property subject to the Declaration or which may be made subject to the Declaration in

accordance with Section 12.1) by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds from such conveyance. Such award or proceeds shall be payable to the Association to be disbursed as follows:

If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 days after such taking, Declarant, so long as Declarant owns any property subject to the Declaration or which may be made subject to the Declaration in accordance with Section 12.1, and Members representing at least 75% of the total Class "A" vote of the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions of Section 7.4 regarding funds for restoring improvements shall apply.

If the taking or conveyance does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

11.4. Improvements to Common Area.

During the Developer Control Period, the Association shall not incur any Common Expenses for development or construction of capital improvements to the Common Area unless approved by Persons entitled to cast a majority of the total Class "A" votes in the Association.

PART FIVE: DEVELOPMENT OF THE COMMUNITY

The Declaration reserves various rights to Declarant and the Association in order to facilitate the smooth and orderly development and administration of the Community.

Article XII Expansion of the Community

12.1. Expansion by Declarant.

Declarant reserves the right to expand the Community to include all or any portion of the real property described in Exhibit "B." Such right shall expire seven years after the date on which this Declaration is recorded in the Public Records. Declarant may assign this right to any Person who is the developer of at least a portion of the real property described in Exhibit "A" or "B." Any such assignment shall be in writing, signed by the Declarant, and recorded in the Public Records.

Expansion of the Community shall be accomplished by filing a Supplemental Declaration in the Public Records describing the property being added to the Community. Such Supplemental Declaration shall not require the approval of Members, but shall require the consent of the owner of such property, if other than Declarant.

Nothing in this Declaration shall be construed to require Declarant or any successor to expand the Community or develop any of the property described in Exhibit "B" in any manner whatsoever.

12.2. Expansion by the Association.

The Association may expand the Community to include additional real property with the consent of the owner of such property, the approval of Owners entitled to cast a majority of the Class "A" votes represented at a meeting called for such purpose, and the consent of Declarant so long as Declarant has any rights under Section 12.1.

Such expansion shall be accomplished by filing in the Public Records a Supplemental Declaration describing the property being added to the Community. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, by the owner of such property, and by Declarant, if Declarant's consent is required.

12.3. Additional Covenants and Easements.

Declarant may impose additional covenants, restrictions, and easements on any property in the Community by filing a Supplemental Declaration in the Public Records setting forth such additional covenants, restrictions, and easements. Any such Supplemental Declaration shall require the written consent of the owner(s) of the property upon which the additional provisions are being imposed, if other than Declarant. Any Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

Article XIII Additional Rights Reserved to Declarant

13.1. Withdrawal of Property.

Declarant reserves the right to amend this Declaration, so long as it has a right to expand the Community pursuant to Section 12.1, for the purpose of removing any portion of the property in the Community which is not then improved with dwellings from the coverage of this Declaration. Such an amendment shall not require the consent of any Person other than the Owner of the property to be removed.

13.2. Marketing and Sales Activities.

Declarant and Builders authorized by Declarant may construct and maintain upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Units, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and authorized Builders shall have easements for access to and use of such facilities.

13.3. Right to Develop.

Declarant and its employees, agents, and designees shall have a right and easement over and upon all of the Common Area for the purpose of making, constructing, and installing such improvements to the Common Area as it deems appropriate in its sole discretion.

For so long as Declarant owns any portion of the Community, Declarant may designate sites which it owns within the Community for public or quasi-public facilities and neither the Association nor any Owner shall have a right to object to such designation.

13.4. Right to Approve Changes in Community Standards.

No amendment to or modification of the Restrictions and Rules or the Architectural Guidelines made after termination of the Developer Control Period shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 12.1.

13.5. Right to Transfer or Assign Declarant Rights.

Any or all of the special rights and obligations of Declarant set forth in this Declaration or the By-Laws may be transferred or assigned in whole or in part to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Public Records.

The Declarant may permit other Persons to exercise, on a one time or limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right permanently or in its entirety, and in such case it shall not be necessary to record any written assignment except as may be required to evidence Declarant's consent to such exercise.

13.6. Exclusive Rights To Use Name of Development.

No Person shall use the name "The Grove at Montebello" or any derivative of such name or in logo or depiction in any printed or promotional material without Declarant's prior written consent. However, Owners may use the name "The Grove at Montebello" in printed or promotional matter where such term is used solely to specify that particular property is located within the Community known as The Grove at Montebello and the Association shall be entitled to use the words "The Grove at Montebello" in its name.

13.7. Right to Notice of Design or Construction Claims.

No Person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements within the Community in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction unless Declarant and any Builder involved in the design or construction have been first notified in writing and given an opportunity to meet with the owner of the property to discuss the owner's concerns and conduct their own inspection.

13.8. Termination of Rights.

The rights reserved to Declarant under this Article shall terminate upon the earlier of (a) 15 years from the date this Declaration is filed in the Public Records, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

13.9. Sales by Declarant.

Notwithstanding the restriction set forth in Section 7.7, Declarant reserves the right to sell Units to Persons between the ages of 50 and 55, inclusive years of age; provided such sales shall not affect the Community's compliance with all applicable state and federal laws under which the Community may be developed and operated as an age-restricted community.

Article XIV Easements

14.1. Easements for Encroachment.

The Declarant hereby creates, for the benefit of each Unit and each portion of the Common Area, reciprocal easements for encroachment due to the unintentional placement, or the settling or shifting, of the structures or improvements on such Unit or portion of the Common Area, and for maintenance and use of any encroaching structure or improvement, except that no easement for encroachment shall exist:

(a) for any structure or improvement constructed in violation of the Governing Documents;

(b) beyond a distance of three feet, as measured from any point on the common boundary along a line perpendicular to such boundary; or

(c) if such encroachment occurred due to reckless, willful, and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

14.2. Easements of Support.

Every portion of a Unit contributing to the support of an abutting Unit shall be burdened with an easement of support for the benefit of such abutting Unit.

14.3. Easements for Maintenance of Adjoining Units.

There shall be and is hereby imposed on each Unit an easement for reasonable ingress and egress by or on behalf of the Owner of any adjoining Unit for the purpose of repair, maintenance, or replacement of improvements on such adjoining Owner's Unit. Such easement shall be exercised only during reasonable hours and after reasonable notice to the Owner or occupants of the Unit upon which entry is to be made.

14.4. Cross-Drainage Easements.

Each Unit shall be burdened with a perpetual, non-exclusive easement over that portion of the Unit which is not improved with structures, for the purpose of drainage of stormwater runoff from any portion of the Community; however, no Person shall alter the natural drainage of stormwater from any Unit once construction of initial improvements has been completed so as to unreasonably increase the drainage of stormwater onto adjacent portions of the Community without the consent of the Owner(s) of the affected property, the Board, and the Declarant as long as it owns any property subject to the Declaration.

14.5. Easements for Utilities.

(a) Installation and Maintenance. The Declarant reserves for itself, so long as the Declarant owns any property described in Exhibit "A" or "B" of this Declaration, and for the Association, suppliers of utilities to the Community, and such other Persons as the Declarant or the Association may designate, perpetual non-exclusive easements throughout the Community (but not through a structure) to the extent reasonably necessary for the purposes of:

(i) installing, on property which Declarant owns or within easements reserved for such purpose on recorded plats, utilities and infrastructure to serve the Community, cable and other systems for sending and receiving data and/or other electronic signals, security and similar systems, walkways, irrigation systems, drainage systems, street lights, and signage;

(ii) inspecting, maintaining, repairing, and replacing the utilities, infrastructure, and other improvements described in Section 14.5(a)(i); and

(iii) access to read, maintain, repair, and replace utility meters.

(b) Specific Easements. The Declarant also reserves for itself the non-exclusive right and power to grant and record in the Public Records such specific easements as may be necessary, in the sole discretion of the Declarant, in connection with the orderly development of any property described in Exhibits "A" and "B." The Owner of any property to be burdened by any easement granted pursuant to this subsection (b) shall be given written notice in advance of the grant. The location of the easement shall be subject to the written approval of the Owner of the burdened property, which approval shall not unreasonably be withheld, delayed, or conditioned.

(c) Minimal Interference. All work associated with the exercise of the easements described in subsections (a) and (b) of this Section shall be performed in such a manner as to minimize interference with the use and enjoyment of the property burdened by the easement. Upon completion of the work, the Person exercising the easement shall restore the property, to the extent reasonably possible, to its condition prior to the commencement of the work.

Any damage to a Unit resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of these easements shall not extend to permitting entry into the structures on any Unit, nor shall it unreasonably interfere with the use of any Unit and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

(d) Limitation of and Release From Burden of Easements. Declarant reserves the right (i) to release all or any portion of the Community from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section 14.5, or (ii) to define the limits of any such easements; provided that Declarant shall relocate, at its own expense, any utility lines or facilities located on or under that portion of the Community being released.

14.6. Easements to Serve Additional Property.

Declarant hereby reserves for itself and its duly authorized agents, representatives, and employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of any property described in Exhibit "B" or any property adjacent to the property described in Exhibit "B", whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for connecting and installing utilities on such property. Declarant agrees that it or the Person exercising such easement shall be responsible for any damage caused to the Common Area as a result of the exercise of such easement.

14.7. Easements for Maintenance, Emergency, and Enforcement.

The Declarant grants to the Association easements over the Community as necessary to enable the Association to fulfill its maintenance responsibilities under Section 7.3. The Association shall also have the right, but not the obligation, to enter upon any Unit for emergency, security, and safety reasons and to inspect for the purpose of ensuring compliance with and enforce the Governing Documents. Such right may be exercised by any member of the Board and its duly authorized agents and assignees, and all emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner.

14.8. Easement to Inspect and Right to Correct.

Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, improvement, or condition which may exist on any portion of the property within the Community, including Units, and a perpetual nonexclusive easement of access throughout the Community to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The person exercising this easement shall promptly repair, at such person's own expense, any damage resulting from such exercise.

14.9. Easements to Exercise Powers and Perform Responsibilities.

In addition to all other easements granted elsewhere in this Declaration, the Declarant hereby reserves to itself and grants to the Association, perpetual, non-exclusive easements over the Community as necessary to enable the Declarant and the Association, and their respective agents, employees, and assigns, to exercise the authority and fulfill the responsibilities that each respective entity is granted or assigned by the Governing Documents.

Article XV Party Walls and Fences

15.1. General Rules of Law to Apply.

Each wall or fence built as a part of the original construction on the Units which serves and/or separates any two adjoining Units shall constitute a party structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

15.2. Maintenance; Damage and Destruction.

The cost of reasonable repair and maintenance of a party structure shall be shared equally by the Owners who make use of the party structure.

If a party structure is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the structure may restore it. If other Owners thereafter use the structure, they shall contribute to the restoration cost in equal proportions. However, such contribution will not prejudice the right to call for a larger contribution from the other users under any rule of law regarding liability for negligent or willful acts or omissions.

15.3. Right to Contribution Runs With the Land.

The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

15.4. Disputes.

Any dispute arising concerning a party structure shall be handled in accordance with the provisions of Article XVII.

PART SIX: RELATIONSHIPS WITHIN AND OUTSIDE THE COMMUNITY

This part of the Declaration creates special rights and protections to facilitate the sale of homes in the Community, establishes a mechanism for the amicable resolution of disputes, should they arise, and provides procedures for enforcing the provisions of the Governing Documents when necessary.

Article XVI Protection of Mortgagees

16.1. Notices of Action.

An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (stating the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of Assessments or charges owed by a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of 60 days, or any other violation of the Declaration or By-Laws relating to such Unit or the Owner which is not cured within 60 days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders.

16.2. Special FHLMC Provision.

So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least 67% of the first Mortgagees or Members representing at least 67% of the total Association vote consent, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer all or any portion of the real property comprising the Common Area which the Association owns, directly or indirectly (the granting of easements for utilities or other similar purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this subsection);

(b) Change the method of determining the obligations, Assessments, dues, or other charges which may be levied against an Owner of a Unit;

(c) By act or omission change, waive, or abandon any scheme of regulations or enforcement pertaining to architectural design, exterior appearance, or maintenance of Units and the Common Area (the issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision);

(d) Fail to maintain insurance, as required by this Declaration; or

(e) Use hazard insurance proceeds for any Common Area losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

16.3. Amendments to Documents.

The following provisions do not apply to amendments to the constituent documents or to the addition of land in accordance with Article XII.

(a) The consent of Members representing at least 67% of the Class "A" votes and of Declarant, so long as it owns any land subject to this Declaration, and the approval of the Eligible Holders of first Mortgages on Units to which at least 67% of the votes of Units subject to a Mortgage appertain, shall be required to terminate the Association.

(b) The consent of Members representing at least 67% of the Class "A" votes and of Declarant, so long as it owns any land subject to this Declaration, and the approval of Eligible Holders of first Mortgages on Units to which more than 50% of the votes of Units subject to a

Mortgage appertain, shall be required materially to amend any provisions of the Declaration, By-Laws, or Articles of Incorporation, or to add any material provisions thereto which establish, provide for, govern, or regulate any of the following:

- (i) voting;
- (ii) Assessments, Assessment liens, or subordination of such liens;
- (iii) reserves for maintenance, repair, and replacement of the Common Area;
- (iv) insurance or fidelity bonds;
- (v) rights to use the Common Area;
- (vi) responsibility for maintenance and repair of the Community;
- (vii) expansion or contraction of the Community or the addition, annexation, or withdrawal of property to or from the Association;
- (viii) boundaries of any Unit;
- (ix) leasing of Units;
- (x) imposition of any right of first refusal or similar restriction of the right of any Owner to sell, transfer, or otherwise convey his or her Unit;
- (xi) establishment of self-management by the Association where professional management has been required by an Eligible Holder; or
- (xii) any provisions included in the Governing Documents which are for the express benefit of holders, guarantors, or insurers of first Mortgages on Units.

16.4. No Priority.

No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

16.5. Notice to Association.

Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

16.6. Failure of Mortgagee to Respond.

Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request,

provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

Article XVII Dispute Resolution and Limitation on Litigation

17.1. Agreement to Encourage Resolution of Disputes Without Litigation.

(a) Declarant, the Association and its officers, directors, and committee members, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in subsection (b), unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 17.2 in a good faith effort to resolve such Claim.

(b) As used in this Article, the term "Claim" shall refer to any claim, grievance, or dispute arising out of or relating to:

- (i) the interpretation, application, or enforcement of the Governing Documents;
- (ii) the rights, obligations, and duties of any Bound Party under the Governing Documents; or
- (iii) the design or construction of improvements within the Community;

except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 17.2:

- (i) any suit by the Association to collect Assessments or other amounts due from any Owner;
- (ii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Part Two of this Declaration (relating to creation and maintenance of community standards);
- (iii) any suit between Owners, which does not include the Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;
- (iv) any suit in which any indispensable party is not a Bound Party; and
- (v) any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 17.2(a), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article.

17.2. Dispute Resolution Procedures.

(a) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the Persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (*i.e.*, the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(c) Mediation. If the parties have not resolved the Claim through negotiation within 30 days of the date of the notice described in Section 17.2(a) (or within such other period as the parties may agree upon), the Claimant shall have 30 additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency providing dispute resolution services in the Metropolitan Atlanta, Georgia area.

If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim.

If the Parties do not settle the Claim within 30 days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all fees charged by the mediator.

Alternative Dispute Resolution Process

(d) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

17.3. Initiation of Litigation by Association.

In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial or administrative proceeding unless first approved by a vote of persons entitled to cast 75% of the total Class "A" votes in the Association, except that no such approval shall be required for actions or proceedings:

- (a) initiated during the Developer Control Period;
- (b) initiated to enforce the provisions of this Declaration, including collection of Assessments and foreclosure of liens;
- (c) initiated to challenge ad valorem taxation or condemnation proceedings;
- (d) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or
- (e) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

This Section shall not be amended unless such amendment is approved by the same percentage of votes necessary to institute proceedings.

Article XVIII Compliance and Enforcement

18.1 Obligation to Comply with Governing Documents; Right to Enforce.

(a) Every Owner and occupant of a Unit shall comply with the Governing Documents and shall ensure that his or her guests and any visitors to the Unit also comply. Failure to comply shall be cause for:

(i) the Association or the Declarant to impose sanctions against the Owner, the occupant, and the Unit as authorized in this Declaration and the By-Laws;

(ii) the Declarant, the Association, or any Owner to take action in a court of law or equity to enforce the Governing Documents, subject to the dispute resolution procedures set forth in Article XVII, if applicable.

(b) The Association may enforce applicable county and city ordinances and permit local governments to enforce their ordinances within the Community for the benefit of the Association and its Members.

(c) The decision to pursue enforcement action in any particular case shall be left to the Board's discretion, except that the Board shall not be arbitrary or capricious in taking enforcement action. The Association shall not be obligated to take enforcement action if the Board reasonably determines that, under the circumstances of a particular case:

(i) the Association's legal position is not strong enough to justify taking any or further action; or

(ii) the covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or

(iii) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or to justify expending the Association's resources; or

(iv) that it is not in the Association's best interests, based upon hardship, expense, or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed as a waiver of the right of the Association to enforce such provision at a later time under other circumstances or preclude the Association from enforcing any other provision of the Governing Documents.

18.2. Association Remedies and Sanctions.

In addition to any remedies or sanctions specifically authorized elsewhere in the Governing Documents, the Association may seek or impose any of the following remedies and sanctions for violation of the Governing Documents:

(a) Assessment of reasonable monetary fines which shall constitute a lien upon the violator's Unit (in the event that any occupant, guest, or invitee of a Unit violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the violator; provided, however, if the fine is not paid by the violator within the time period set by the Board, the Owner shall pay the fine upon notice from the Board);

(b) suspension of the Owner's right to vote; however, in the case of nonpayment of Assessments, such suspension shall be automatic if the Owner is more than 60 days delinquent in paying any Assessment or other charge owing to the Association;

(c) suspension of any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than 30 days delinquent in paying any Assessment or other charge owed to the Association;

(d) upon the Owner's failure to take required action after written notice and a reasonable opportunity to do so, entering upon the Unit (which entry shall not be considered a trespass) or Common Area and taking action to cure any condition or remove any thing or structure which is in violation of the Governing Documents (which may include towing or booting a vehicle) and to restore the Unit and/or Common Area to a complying condition, in which event the Association may charge all costs incurred against the Unit and the Owner as a Specific Assessment;

(e) precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of Article IV and the Architectural Guidelines from continuing or performing any further activities in the Community (in which event the Association shall have no liability to any Person);

(f) levying Specific Assessments to cover costs incurred by the Association to bring a Unit into compliance with the Governing Documents; and

(g) recording a notice of violation in the Public Records.

18.3. Notice and Hearing Procedures.

Except as set forth in Section 18.3(c), prior to imposing any sanction for violation of the Governing Documents, taking any action to enforce the provisions of the Governing Documents, or exercising the rights granted to the Association under this Article, the Association shall comply with the notice and hearing procedures set forth in subsections (a) and (b) below.

(a) Notice. The Association shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the action which the Association proposes or intends to take, and (iii) a period of not less than 10 calendar days within which the alleged violator may present a written request for a hearing. If a timely request for a hearing is not made within the 10-day period, the Association may proceed with the action or impose the sanction described in the notice. If the violation is abated within the 10-day period, the Association may, but shall not be obligated to, suspend the proposed action or sanction. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person. Notwithstanding any suspension of proceedings hereunder, if the same or a similar violation is repeated within 12 months after the date of notice of the original violation, the Association may pursue any and all remedies described in the original notice without further notice to the alleged violator.

(b) Hearing. If a hearing is requested within the allotted 10-day period, the hearing shall be held before a committee appointed by the Board consisting of not less than five persons, all of whom shall be Owners or residents of the Community or representatives of the Declarant. A representative of the Association shall be afforded a reasonable opportunity to make a statement describing the alleged violation and to present any evidence or witnesses to support its statement. The alleged violator shall also be afforded a reasonable opportunity to be heard and to present any evidence or witnesses on his or her behalf. At the conclusion of all statements and

presentations, the committee may close the hearing and retire to discuss the evidence and to render a judgment as to whether, in fact, a violation has occurred. The committee shall notify the Association and the alleged violator in writing of its determination within 5 days after the hearing. If the committee determines that a violation has occurred, the Association may pursue any and all remedies described in its original notice of the violation.

(c) Applicability. The notice and hearing procedures set forth in this Section 18.3 shall not apply to any claim which the Association is required or elects to submit to the dispute resolution procedures set forth in Article XVII, nor to the exercise of self-help to cure violations after written notice to the Owner and an opportunity to cure pursuant to Section 18.2(d). Subject to the provisions of Article XVII, as they may apply, the Association may also file suit in a court of law or equity to enforce the Governing Documents, to enjoin any violation, or to recover monetary damages for any violation without the necessity of complying with the notice and hearing procedures set forth above.

18.4. Remedies Cumulative; Recovery of Costs.

(a) All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity.

(b) In any action to enforce the Governing Documents, if the party seeking to enforce prevails, it shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

Article XIX Miscellaneous Provisions

19.1. Binding Effect and Duration.

All of the property described in Exhibit "A" and any additional property subjected to this Declaration by Supplemental Declaration shall be held, sold, used, and conveyed subject to the terms of this Declaration which shall run with the title to such real property. This Declaration shall be binding upon all parties having any right, title, or interest in any portion of the Community, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner of any portion of the Community.

Unless terminated by the Owners as provided below, this Declaration is intended to have perpetual duration. However, so long as Georgia law limits the period during which covenants may run with the land, any provision of this Declaration affected by such law shall run with and bind the land so long as permitted by the law, after which time the provisions shall be automatically extended for successive periods of 20 years, unless terminated in accordance with O.C.G.A. Section 44-5-60, as it may be amended, within the year proceeding any extension.

Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance, agrees that provisions of this Declaration may be extended and renewed as provided in this Section. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

If any provision of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provision shall continue in effect only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

19.2. Amendment.

Until conveyance of the first Unit by Declarant to a Person other than a successor Declarant or a Builder, the Declarant may amend this Declaration without the approval of the Association or the Owners. Thereafter, as long as the Declarant owns any property in the Community or which may become part of the Community pursuant to Section 12.1, the Declarant may amend this Declaration without the approval of the Association or the Owners, if such amendment (i) is specifically required to enable any institutional or governmental entity to make, purchase, insure, or guarantee mortgage loans on the Units, or (ii) does not materially adversely affect the rights of any Owner under this Declaration without such Owner's consent.

The Board shall be authorized to amend this Declaration without the consent of the Owners to submit the Association to the Georgia Property Owners' Association Act and to conform this Declaration to any mandatory provisions thereof. Any such amendment shall require the consent of Declarant, so long as Declarant owns any of the property described in Exhibit "A" or "B."

Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Owners entitled to cast at least 75% of the total number of Class "A" votes in the Association and the consent of Declarant, so long as Declarant owns any property within the Community or which may become part of the Community pursuant to Section 12.1.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within three months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

19.3. Severability.

Invalidation by judgment or court order of any provision of this Declaration shall not affect the validity of other provisions of this Declaration. Invalidation of any provision as applied in a particular case shall not affect the validity of other applications of the same provision.

19.4. Cumulative Effect; Conflict.

The provisions of this Declaration shall be cumulative with the provisions of any applicable Supplemental Declaration. Any Supplemental Declaration or other recorded instruments affecting title to any portion of the Community may contain provisions which are more restrictive than the provisions of this Declaration, and in such case, the more restrictive provision shall control. The Association shall have the standing and authority to enforce all such restrictions.

19.5. Notice of Sale or Transfer of Title.

Any Owner desiring to sell or otherwise transfer title to his or her Unit shall give the Board at least seven days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The Person transferring title shall be jointly and severally responsible with the Person to whom title is transferred for all obligations of the Owner of the Unit, including Assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

19.6. Master Declaration and Master Association. By acceptance of a deed to a Unit, every Owner acknowledges that, in addition to being subject to and bound by the Governing Documents, he or she is subject to the Master Declaration and is a member of and subject to assessment by the Master Association.

19.7. Supremacy of the Master Declaration. In addition to all of the rights and obligations that have been conferred or imposed upon the Association pursuant to this Declaration, the By-Laws, or the Articles of Incorporation, the Association shall be entitled to exercise any of the rights conferred upon it and shall be subject to all of the obligations imposed upon it pursuant to the Master Declaration and the By-Laws of the Master Association. The Association shall take no action in derogation of the rights of or contrary to the interests of the Master Association. In the event of conflict between or among the provisions of this Declaration, the By-Laws, Articles of Incorporation or rules and regulations of the Association and the Master Declaration, Master By-Laws, and articles of incorporation of the Master Association or rules and regulations of the Master Association, the latter shall control. The foregoing priorities shall not prevent enforcement by the Association of provisions or rules that are stricter than those of the Master Declaration or Master Association.

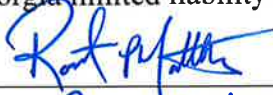

19.8. Exhibits.

Exhibits "A," "B," "C," and "D" attached to this Declaration are incorporated by this reference. Amendments to Exhibits "A" and "B" shall be governed by the provisions of Section

19.2. Amendments to Exhibit "C" shall be governed by Article V. Exhibit "D," the By-Laws, is attached for informational purposes and may be amended as provided therein.

2. Restricted Activities. The following activities are prohibited within the Community unless expressly authorized by, and then subject to such conditions as may be imposed by, the Board of Directors:

If the pet owner fails to honor such request, the Board may remove the pet, in addition to imposing such other sanctions as are authorized by the Declaration and By-Laws. Dog owners shall keep their dogs on a leash at all times when outside the boundaries of the Unit. Pets shall be registered, licensed, and inoculated as required by law;

(r) Use of any Unit for operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years;

(s) Discharge of firearms; provided, the Board shall have no obligation to take action to prevent or stop such discharge;

(t) On-site storage of gasoline, heating, or other fuels, except that a reasonable amount of fuel may be stored on each Unit for emergency purposes and operation of lawn

(v) Any business, trade, yard sale, moving sale, rummage sale, or similar activity, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Unit; (ii) the business activity conforms to all zoning requirements for the Community; (iii) the business activity does not involve regular visitation of the Unit by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the Community; and (iv) the business activity is consistent with the residential character of the Community and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Community, as may be determined in the sole discretion of the Board.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required.

Leasing of a Unit shall not be considered a business or trade within the meaning of this subsection. This subsection shall not apply to any activity conducted by Declarant or a Builder approved by Declarant with respect to its development and sale of the Community or its use of any Units which it owns within the Community; and

(w) Any construction, erection, or placement of any thing, permanently or temporarily, on the exterior portions of the Unit or on Common Area (including, but not limited to, signs other than "For Sale" signs and signs required by legal proceedings), except in strict compliance with the provisions of Article IV of the Declaration. If not addressed in the Architectural Guidelines, the Board or the ARC, in its discretion, may prohibit or permit such things as it deems appropriate, subject to applicable law and regulations.

3. Prohibited Activities and Conditions. The following shall be prohibited within the Community:

(a) Satellite dishes, antennas and similar devices for the transmission of television, radio, satellite, or other signals of any kind, except that (i) Declarant and the Association shall have the right, without obligation, to erect or install and maintain any such apparatus for the benefit of all or a portion of the Community, and (ii) antennas or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter; (b) antennas or satellite dishes designed to receive video programming services via multi-point distribution services which are one meter or less in diameter or diagonal measurement; or (c) antennas or satellite dishes designed to receive television broadcast signals ("Permitted Devices") shall be

permitted, *provided that* any such Permitted Device is placed in the least conspicuous location on the Unit in which an acceptable quality signal can be received and in a manner consistent with the Community-Wide Standard and the Architectural Guidelines. It shall not be necessary to obtain prior approval under Article IV of the Declaration to install a Permitted Device in a manner consistent with this paragraph (a);

(b) Laundry drying facilities including, but not limited to, clothes lines, outside of a Unit. In addition, the use of porch railings or any other part of the exterior of the Unit for drying or storing of clothes or other articles is prohibited or

(c) Any thing or condition which will result in the cancellation, or increase in premium, or reduction in coverage of insurance maintained by the Association or which would be in violation of any law or other applicable requirement of governmental authorities.

4. Leasing of Units. "Leasing," for purposes of this Paragraph, is defined as regular, exclusive occupancy of a Unit by any person, other than the Owner for which the Owner receives any consideration or benefit, including, but not limited to, a fee, service, gratuity, or emolument. All leases shall be in writing. The Board may require a minimum lease term. In addition, the Board may require inclusion of specific terms and conditions in the lease agreement. Any lease of a Unit shall provide that the tenant and all occupants of the leased Unit shall be bound by the terms of the Governing Documents. Notice of any lease, together with such additional information as may be required by the Board, shall be given to the Board by the Unit Owner within 10 days of execution of the lease. The Owner must make available to the lessee copies of the Declaration, By-Laws, and the Restrictions and Rules.

THE GROVE AT MONTEBELLO COMMUNITY ASSOCIATION, INC.

Article I Name, Principal Office, Definitions

1.1. Name.

The name of the corporation is The Grove at Montebello Community Association, Inc. (the "Association").

1.2. Principal Office.

The principal office of the Association shall be located in Forsyth County, Georgia. The Association may have such other offices, either within or outside the State of Georgia, as the Board of Directors may determine or as the affairs of the Association may require.

1.3. Definitions.

The words used in these By-Laws shall be given their normal, commonly understood definitions, unless otherwise specified. In order to minimize repetition, some terms are capitalized to indicate that they have specific definitions as set forth in the Declaration of Covenants, Conditions, and Restrictions for The Grove at Montebello (the "Declaration"), executed by 1699 Land Company, LLC, a Georgia limited liability company and recorded in the Public Records of Forsyth County, Georgia, as such Declaration may be amended.

Article II Membership and Meetings

2.1. Membership.

The Association initially shall have two classes of membership, Class "A" and Class "B," as described in the Declaration, the terms of which pertaining to membership are incorporated by this reference.

2.2. Place of Meetings.

Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate, either within the Community or as convenient as possible and practical.

2.3. Annual Meetings.

The first meeting of the Association membership, whether a regular or special meeting, shall be held within one year from the date of incorporation of the Association. Subsequent regular annual meetings shall be set by the Board so as to occur during the third quarter of the Association's fiscal year on a date and at a time set by the Board.

2.4. Special Meetings.

The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting if so directed by resolution of the Board or upon a petition signed by Members representing at least 10% of the total Class "A" votes in the Association.

2.5. Notice of Meetings.

Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than 10 nor more than 50 days before the date of such meeting, by or at the direction of the President, the Secretary, or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when hand delivered or deposited in the United States mail addressed to the Member at the address of the Member's Unit or such other address as the Member may have designated in writing to the Association, with postage prepaid.

2.6. Waiver of Notice.

Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Attendance at a meeting by a Member shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7. Adjournment of Meetings.

If any meeting of the Association cannot be held because a quorum is not present, a majority of the Members who are present at such meeting may adjourn the meeting to a time not less than 5 nor more than 30 days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

The Members present at a duly called or held meeting at which a quorum is initially present may continue to do business until adjournment, notwithstanding the withdrawal of some Members leaving less than a quorum, provided that any action taken is approved by at least a majority of the votes required to constitute a quorum.

2.8. Voting.

The voting rights of the Members shall be as set forth in the Declaration and in these By-Laws, and such voting rights provisions are specifically incorporated by this reference.

2.9. Proxies.

Members may vote in person or by proxy, subject to the limitations of Georgia law relating to use of proxies and subject to any specific provision to the contrary in the Declaration or these By-Laws. Every proxy shall be in writing and shall identify the Unit for which it is given. Proxies shall be signed by the Member or the Member's attorney-in-fact, dated, and filed with the Secretary of the Association prior to the meeting for which it is to be effective.

Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast. In the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid.

Every proxy shall be revocable and shall automatically cease upon conveyance of any Unit for which it was given, upon receipt by the Secretary of written notice of revocation of the proxy or of the death or judicially declared incompetence of a Member who is a natural person, or 11 months from the date of the proxy, unless a shorter period is specified in the proxy.

2.10. Majority.

As used in these By-Laws, the term "majority" shall mean those votes, Owners, or other group as the context may indicate totaling more than 50% of the total eligible number.

2.11. Quorum.

Except as otherwise provided in these By-Laws or in the Declaration, the presence of persons entitled to cast at least 25% of the total Class "A" votes in the Association shall be required to transact business at any meeting of the membership.

2.12. Conduct of Meetings.

The President shall preside over all meetings of the Association, and the Secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.13. Action Without a Meeting.

Unless otherwise prohibited by Georgia law, any action required or permitted by law to be taken at a meeting of the Members may be taken by written consent or by ballot cast by mail without a meeting, in accordance with the following procedure:

- (a) The Secretary shall send written notice of the proposed action for which consent is requested to each Member entitled to vote thereon at least 10 days prior to the deadline for

returning the ballots or consents. The notice shall be accompanied by a ballot or consent form which:

- (i) describes the proposed action;
- (ii) provides a place to indicate, in the case of a ballot, how the Owner's vote is to be cast, or in the case of a consent, the Owner's approval or disapproval of, or consent to the proposed action;
- (iii) provides a method of identifying the Owner and the Unit for which the ballot is cast or consent is given, and in the case of a consent, a place for the Owner's signature; and
- (iv) indicates the address to which completed forms should be returned and the deadline for returning them, if any.

(b) The proposed action shall be deemed approved if ballots or consents approving the action are received from Members holding at least the minimum number of votes necessary to authorize such action at a meeting if all Members entitled to vote thereon were present, and such ballots or consents shall have the same force and effect as a vote of the Members at a meeting. The ballots or consents shall be filed with the minutes of the Association. Within 10 days after receiving authorization for any action by written consent, the Secretary shall give written notice to all Members entitled to vote fairly summarizing the material features of the authorized action.

Article III Board of Directors

A. Composition and Selection.

3.1. Governing Body; Composition.

The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one equal vote. Except with respect to directors appointed by the Class "B" Member, the directors shall be Members. In the case of a Member which is not a natural person, any officer, director, partner, or trust officer of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member; however, no Member may have more than one such representative on the Board at a time, except in the case of directors appointed by the Class "B" Member.

3.2. Number of Directors.

The Board shall consist of three to seven directors, as provided in Sections 3.3 and 3.5 below. The initial Board shall consist of three directors as identified in the Articles of Incorporation.

3.3. Directors During Developer Control Period.

Subject to the provisions of Section 3.5, the Declarant, as the Class "B" Member, shall be entitled to appoint, remove, and replace the directors in its sole discretion so long as the Class "B" Membership exists.

3.4. Nomination and Election Procedures.

(a) Nominations and Declarations of Candidacy. Prior to each election of directors, the Board shall announce the opening date and the closing date of a reasonable period in which any eligible person who has an interest in serving as a director may file as a candidate for any position for which he or she may be eligible. The Board shall also establish such other rules and regulations as it deems appropriate to conduct the nomination of directors in a fair, efficient, and cost-effective manner.

Except with respect to directors selected by the Class "B" Member, nominations for election to the Board may also be made by a "Nominating Committee." The Nominating Committee, if any, shall consist of a chairman, who shall be a member of the Board, and three or more Members or representatives of Members. The Board shall appoint the members of the Nominating Committee, if one is to be appointed, not less than 30 days prior to the election, and such appointment shall be announced in the notice of each election.

The Nominating Committee may make as many nominations for election to the Board as it shall in its discretion determine. In making its nominations, the Nominating Committee shall use reasonable efforts to nominate candidates representing the diversity which exists within the pool of potential candidates.

Each candidate shall be given a reasonable, uniform opportunity to communicate his or her qualifications to the Members and to solicit votes.

(b) Election Procedures. Each Member may cast all votes assigned to its Unit for each position on the Board of Directors to be filled by such election. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors may be elected to serve any number of consecutive terms.

3.5. Election and Term of Office.

Notwithstanding any other provision of these By-Laws:

Not later than 60 days after termination of the Developer Control Period, the Board shall increase to five directors and the President shall call for an election by which the Class "A" Members shall be entitled to elect all of the five directors. The directors elected by the Class "A" Members shall serve until the first annual meeting following the termination of the Developer Control Period. If such annual meeting is scheduled to occur within 60 days after termination of the Developer Control Period, the Class "A" Members shall elect the five directors at the annual meeting. Three directors shall serve a term of two years and two directors shall serve a term of one year as such directors decide among themselves.

Upon the expiration of the term of office of each director elected by the Class "A" Members, such Members shall be entitled to elect a successor to serve a term of two years. The directors elected by the Members shall hold office until their respective successors have been elected.

3.6. Removal of Directors and Vacancies.

Any director elected by the Class "A" Members may be removed, with or without cause, by a two-thirds vote of the Class "A" Members present and entitled to vote at any meeting at which a quorum is present. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Members entitled to elect the director so removed to fill the vacancy for the remainder of the term of such director.

Any director elected by the Class "A" Members who has three consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent (or is the representative of a Member who is so delinquent) in the payment of any Assessment or other charge due the Association, may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Members entitled to fill such directorship may elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by the Class "B" Member nor to any director serving as a representative of the Declarant. The Class "B" Member or the Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability, or resignation of a director appointed by or elected as a representative of the Class "B" Member or the Declarant.

B. Meetings.

3.7. Organizational Meetings.

The first meeting of the Board following each annual meeting of the membership shall be held within 10 days thereafter at such time and place the Board shall fix.

3.8. Regular Meetings.

Regular meetings of the Board may be held at such time and place as a majority of the directors shall determine, but at least four such meetings shall be held during each fiscal year with at least one per quarter.

Notice of the time and place of a regular meeting shall be communicated to directors not less than four days prior to the meeting; however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

3.9. Special Meetings.

Special meetings of the Board shall be held when called by written notice signed by the President or Vice President or by any two directors.

3.10. Notices: Waiver of Notice.

(a) Notices of meetings of the Board shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special business to be considered. The notice shall be given to each director by:

(i) personal delivery;

(ii) first class mail, postage prepaid;

(iii) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or

(iv) facsimile, computer, or other electronic communication device, with confirmation of transmission.

All such notices shall be given at the director's telephone number, fax number, electronic mail address, or sent to the director's address as shown on the records of the Association. Notices of special meetings of the Board shall also be posted in a prominent place within the Community. Notices sent by first class mail shall be deposited into a United States mailbox at least five business days before the time set for the meeting. Notices given by personal delivery, telephone, or other device shall be delivered or transmitted at least 72 hours before the time set for the meeting.

(b) The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (i) a quorum is present, and (ii) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.11. Telephonic Participation in Meetings.

Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection shall constitute presence in person at such meeting.

3.12. Quorum of Board of Directors.

At all meetings of the Board, the presence of a majority of the directors shall be necessary to establish a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than five nor more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.13. Compensation.

Directors shall not receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total Class "A" votes in the Association and by the Class "B" Member at a regular or special meeting of the Association. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. The Association may compensate a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board, excluding the interested director.

3.14. Conduct of Meetings.

The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings.

3.15. Open Meetings.

Subject to the provisions of Section 3.16, all meetings of the Board shall be open to all Members, but attendees other than directors may not participate in any discussion or deliberation unless permission to speak is requested on their behalf by a director. In such case, the President may limit the time any such individual may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session, and may exclude persons other than directors, to discuss matters of a sensitive nature, such as pending or threatened litigation, personnel matters, etc.

3.16. Action Without a Formal Meeting.

Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a written consent, setting forth the

action so taken, is signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

3.17. Powers.

The Board of Directors shall have all of the powers necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents and as provided by law. The Board may do or cause to be done, without a vote of the membership, all acts and things except those as to which the Governing Documents or Georgia law require a vote of the membership.

3.18. Duties.

The duties of the Board shall include, without limitation:

- (a) preparing and adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses;
- (b) levying and collecting such assessments from the Owners;
- (c) providing for the operation, care, upkeep, and maintenance of the Area of Common Responsibility;
- (d) designating, hiring, and dismissing the personnel necessary to exercise the authority and carry out the responsibilities of the Association and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;
- (e) depositing all funds received on behalf of the Association in a bank depository which it shall approve, and using such funds to operate the Association provided that any reserve funds may be deposited, in the directors' best business judgment, in depositories other than banks;
- (f) making and amending Restrictions and Rules in accordance with the Declaration;
- (g) opening of bank accounts on behalf of the Association and designating the persons authorized to sign on such accounts;
- (h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the Declaration and these By-Laws;
- (i) enforcing by legal means the provisions of the Declaration, these By-Laws, and the rules adopted by it;

(j) bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association, subject to the provisions of Article XVIII of the Declaration;

(j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;

(k) paying the cost of all services rendered to the Association;

(l) keeping books with detailed accounts of the receipts and expenditures of the Association;

(m) making available to any prospective purchaser of a Unit, any Owner, and the holders, insurers, and guarantors of any Mortgage on any Unit, current copies of the Declaration, the Articles of Incorporation, the By-Laws, rules and all other books, records, and financial statements of the Association as provided in Section 6.4;

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Community;

(o) indemnifying a director, officer, or committee member, or former director, officer, or committee member of the Association to the extent such indemnity is required by Georgia law, the Articles of Incorporation, or the Declaration; and

(p) assisting in the resolution of disputes between owners and others without litigation, as set forth in the Declaration.

3.19. Right of Declarant to Disapprove Actions.

So long as the Declarant owns any real property within the Community shall have a right to disapprove any action, policy, or program of the Association, the Board, and any committee which, in the sole judgment of Declarant, would tend to impair rights of the Declarant under the Declaration or these By-Laws, or interfere with the development, construction, marketing, or sale of Declarant's unsold Units in any portion of the Community, or diminish the level of services being provided by the Association.

(a) The Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board, or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address which the Declarant has registered with the Secretary of the Association, which notice complies as to the Board meetings with Section 3.10 and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth with reasonable particularity the agenda to be followed at such meeting; and

(b) Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein.

No action, policy, or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

The Declarant, its representatives or agents shall make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee. The Declarant, acting through any officer, director, agent, or authorized representative, may exercise its right to disapprove at any time within 10 days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within 10 days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, the Board, or the Association. The Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

3.20. Management.

The Board may employ for the Association a professional management agent or agents at such compensation as the Board may establish, to perform such duties and services as the Board shall authorize. The Board may delegate such powers as are necessary for the manager to assist the Board in performing its duties under Section 3.18, but shall not delegate policy-making authority or ultimate responsibility. The Declarant or an affiliate of the Declarant may be employed as managing agent or manager.

The Board of Directors may delegate to one of its members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

3.21. Accounts and Reports.

The following management standards of performance shall be followed unless the Board by resolution specifically determines otherwise:

- (a) cash or accrual accounting, as defined by generally accepted accounting principles, shall be employed;
- (b) accounting and controls should conform to generally accepted accounting principles;
- (c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise; any thing of value received shall benefit the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board of Directors;

(f) commencing at the end of the quarter in which the first Unit is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a statement reflecting all cash receipts and disbursements for the preceding period;

(iii) a variance report reflecting the status of all accounts in an "actual" versus "approved" budget format;

(iv) a balance sheet as of the last day of the preceding period; and

(v) a delinquency report listing all Owners who are delinquent in paying any assessments at the time of the report and describing the status of any action to collect such assessments which remain delinquent (any assessment or installment thereof shall be considered to be delinquent on the 15th day following the due date unless otherwise specified by Board resolution); and

(g) an annual report consisting of at least the following shall be made available to all Members within 120 days after the close of the fiscal year: (1) a balance sheet; (2) an operating (income) statement; and (3) a statement of changes in financial position for the fiscal year. Such annual report shall be prepared on an audited, reviewed, or compiled basis, as the Board determines, by an independent public accountant; however, upon written request of any holder, guarantor or insurer of any first Mortgage on a Unit, the Association shall provide an audited financial statement.

3.22. Borrowing.

The Association shall have the power to borrow money for any legal purpose provided that the Board shall obtain approval of Members entitled to cast at least a majority of the votes cast at a duly called and held meeting of the Members at which a quorum is represented, if the proposed borrowing is for the purpose of making discretionary capital improvements and the total amount of such borrowing, together with all other debt incurred within the previous 12-month period, exceeds or would exceed 25% of the budgeted gross expenses of the Association for that fiscal year.

3.23. Right to Contract.

6.1. Fiscal Year.

The fiscal year of the Association shall be the calendar year unless the Board establishes a different fiscal year by resolution.

6.2. Parliamentary Rules.

Except as may be modified by Board resolution, *Robert's Rules of Order* (current edition) shall govern the conduct of Association proceedings when not in conflict with Georgia law, the Articles of Incorporation, the Declaration, or these By-Laws.

6.3. Conflicts.

If there are conflicts between the provisions of Georgia law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of Georgia law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

6.4. Books and Records.

(a) Inspection by Members and Mortgagees. The Board shall make available for inspection and copying by any holder, insurer, or guarantor of a first Mortgage on a Unit, any Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a purpose reasonably related to his or her interest in a Unit: the Declaration, By-Laws, and Articles of Incorporation, including any amendments, the rules of the Association, the membership register, books of account, and the minutes of meetings of the Members, the Board, and committees. The Board shall provide for such inspection to take place at the office of the Association or at such other place within the Community as the Board shall designate.

(b) Rules for Inspection. The Board shall establish rules with respect to:

- (i) notice to be given to the custodian of the records;
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing documents requested.

(c) Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make a copy of relevant documents at the expense of the Association.

6.5. Notices.

Except as otherwise provided in the Declaration or these By-Laws, all notices, demands, bills, statements, or other communications under the Declaration or these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by United States mail, first class postage prepaid:

(a) if to a Member, at the address which the Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Unit of such Member; or

(b) if to the Association, the Board, or the managing agent, at the principal office of the Association or the managing agent or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

6.6. Amendment.

(a) By Class "B" Member. Prior to the conveyance of the first Unit by Declarant to a Person other than a successor Declarant, the Class "B" Member may unilaterally amend these By-Laws. Thereafter, the Class "B" Member may unilaterally amend these By-Laws at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Units; or (iii) to enable any institutional or governmental lender, purchaser, insurer, or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure, or guarantee mortgage loans on the Units. However, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent thereto in writing. So long as the Class "B" membership exists, the Class "B" Member may unilaterally amend these By-Laws for any other purpose, provided that the amendment has no material adverse effect upon any right of any Member.

(b) By Members Generally. Except as provided above, these By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of persons entitled to cast 67% of the total Class "A" votes in the Association, and the consent of the Class

"B" Member, if such exists. In addition, the approval requirements set forth in Article XVI of the Declaration shall be met, if applicable.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

No amendment may remove, revoke, or modify any right or privilege of the Declarant or the Class "B" Member without the written consent of the Declarant, the Class "B" Member, respectively (or the assignee of such right or privilege).

(c) By the Board. The Board may also amend these By-Laws by unanimous vote or written consent of the directors to submit the Association to the Georgia Property Owners' Association Act and to confirm these By-Laws to any mandatory provisions thereof. Any such amendment shall require Declarant's consent, so long as Declarant owns any property described on Exhibits "A" or "B" to the Declaration.

(d) Validity and Effective Date of Amendments. Amendments to these By-Laws shall become effective upon recording in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within three months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these By-Laws.
